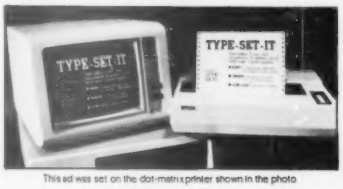
Type-Set-It

DESKTOP PUBLISHING from GOOD IDEAS

"Business Quality" typesetting from your dot-matrix printer

Much Lower Cost Than Laser Desktop Publishing
Higher Quality Than Other Dot-Matrix Programs

- For newsletters, flyers, visuals, lists, ads, etc.
- Multiple column, full page make-up on the screen
- 96 sizes from 1/16" to 1-1/2" in 1296 styles
- Interactive, true font display (WYSIWYG)
- Unlimited positioning, mixing of fonts
- All 124,000 fonts included free!



This ad was set on the dot-matrix printer shown in the photo

- $395 fits any budget
- Full money-back guarantee
- Quick and easy to learn and operate
- Pop-up menus with operator prompts
- No coding or mnemonics to learn or use
- No complex, technical typesetting terms
- Fast payback makes it easy to justify price
- Produces final output on dot-matrix printers
- Fast, even on a basic IBM-PC or compatible
- Can use text from word processor and data files

Type-Set-It requires the IBM-PC/AT/XT or compatible, 1 disk, 512K, a graphics card and IBM or Epson compatible dot-matrix printer. A trial disk with the entire program (but prints the letters E and S backwards) is available for $10.

ORDER BY MAIL: Send Check or Money Order, Mass. add 5% tax
ORDER BY PHONE: C.O.D., Visa, MasterCard or approved P.O.

As American as...

It's true, our Consumer Information Catalog is filled with booklets that can answer the questions American consumers ask most.

To satisfy every appetite, the Consumer Information Center puts together this helpful Catalog quarterly containing more than 200 federal publications you can order. It's free, and so are almost half of the booklets it lists. Subjects like nutrition, money management, health and federal benefits help you make the right choices and decisions.

So get a slice of American opportunity. Write today for your free Catalog:
